**Sub:-Beta Drugs Ltd's API plant (Adley Lab Ltd.) is ready to take big leap**

Dear Sir

Beta Drugs Ltd received WHO- GMP approval for its API plant (Adley Labs Ltd.). This accreditation will open the door for accelerated growth in the coming years. It will not only help to consolidate company's API business in domestic market but also aid exports to ROW markets and some of the Semi Regulated countries thus paving way for increasing sales in the future.

The company is also expanding its manufacturing capacity and working towards filing it's DMF in mid of next year in the European market which will help the company to enter regulated markets. Further it is also working towards launching many new Oncology APIs.

Adley Lab Ltd is "state of Art" API manufacturing facility located in Derabassi, Punjab India. It complies with all statutes of pollution control, environment, health and safety parameters and is equipped with latest equipment at lab scale, Kilo scale, pilot scale and commercial scale.

Kindly take the above information on your record.

Thanking You  
Your's faithfully  
For Beta Drugs Ltd.

  
Rajni Brar  
Company Secretary
